Freeman Decorating Information:

We recommend that all exhibit or trade shows use a drayage, decorating, or exhibit company for booth or tabletop exhibits. The Hilton in the Walt Disney World® Resort recommends *Freeman Decorating*, Ms. Martye Jeffords at (407) 857-1500. Reedy Creek Fire Services regulations must be adhered to with a floor plan submitted for approval no less than 21 days prior to the show or exhibit. All permits, approved diagrams, and insurance liability coverage must be submitted to the Meetings and Convention Manager prior to setup taking place. Failure to follow these specifications may result in your exhibit or set-up being terminated by *Reedy Creek Emergency Services*.
