STANDARD BANQUET TERMS AND CONDITIONS

1. ASSIGNMENT/CONFIRMATION OF FUNCTION SPACE: The function space assigned indicates the space is tentatively being held and will be held on a definite basis upon signing of the Banquet Event Order (“BEO”). The terms and conditions of any group sales or catering sales agreement previously signed regarding this event remain in force and the BEO is intended to provide specific function/event information in support of the original agreement. If for any reason the function space reserved is not available for your event, you agree that we may substitute space of appropriate size and comparable quality for your event. If you plan to print or publish the assigned space, please contact us first to confirm the room assignment.

2. GUARANTEE OF ANTICIPATED REVENUE: At least 72 hours (3 business days) before your event, you must inform us, in writing, of the exact number of people who will attend your event. The arrangements set forth on the reserve side of your EO will serve as the final arrangements for your event. The services, products, fees, etc. as noted will be provided at the time of your event and you will be charged based on the event guarantee that you give us or the number of people indicated at the time you signed the sales agreement or the EO, whichever is greater. We will not undertake to serve more than 5% more than this guaranteed minimum.

- 3. LABOR CHARGE:** If the guaranteed number for your event is less than 25 persons, we will add a labor charge to your account. This will be used to cover our costs of the event and will not be distributed as a service charge or gratuity to our employees working at your event.
- 4. OVERTIME:** You agree to begin your event promptly at the scheduled start time and agree to have your guests, invitees and other persons vacate the designated event space at the end time indicated on the final BEO. You further agree to reimburse us for any overtime wage payments or other expense incurred by us because of your failure to comply with these regulations.
- 5. GRATUITY & SERVICE CHARG:** 22% of the food and beverage total, plus any applicable state or local tax, will be added to your account as a service charge. This service charge is not a gratuity and is the property of the Hotel to cover discretionary costs of the Event.
- 6. PRICE INCREASES:** There may be increases in prices due to unforeseen changes in market conditions at the time of your event. We will communicate these increases to you in advance. We will require written confirmation that you agree to pay these increased prices. Alternatively, we, at our option, may in such event make reasonable substitutions in menus and you agree to accept such substitutions.
- 7. SET UP CHARGES.** Should extensive meeting room set-ups or elaborate staging be required, there will be a set-up charge to cover Hotel costs and additional labor. If equipment is necessary that exceeds Hotel's inventory, then you agree to pay for the cost of renting this additional equipment. You agree to indemnify us for any damage caused to any Hotel property as a result of drayage related to your event, whether caused by you, your agents, employees, or contractors. Please refer to your Catering/Events Manager for additional set-up related fees.
- 8. OUTSIDE FOOD AND BEVERAGE:** Due to state law, you may not bring into the Hotel alcoholic beverages. You must obtain prior approval from us before you bring in any food or non-alcoholic beverages from outside sources. A Hold Harmless Agreement and Liability Insurance are required if food or beverage products not purchased and served by Hotel staff are brought in for consumption by your guests. Service fees will apply to any outside food or beverage served in our function space regardless if Hotel labor is required.
- 9. AUXILIARY AIDS:** The Hotel represents and you acknowledge that the Hotel facilities being rented for you including guest rooms, common areas and transportation services will be in compliance with our public accommodation requirements under the Americans with Disabilities Act. You agree that you will furnish to us a list of any auxiliary aids needed by your attendees in meeting or function space at least two weeks prior to your event. You agree to pay all charges associated with the provision of such aids by the Hotel.
- 10. PROMOTIONAL CONSIDERATIONS:** We have the right to review and approve any advertisements or promotional materials in connection with your function which specifically reference the Hilton name or logo. Hilton does not offer or accept any terms or conditions which provide commissions, rebates, HHonors points or other forms of compensation related to revenue for food, beverage, room or equipment rental.
- 11. CANCELLATION:** You may cancel this Agreement only upon giving written notice to us. The parties agree and understand that in the event of a cancellation, our

actual damages would be difficult to determine. FIRE CODES

The following are a few general regulations that typically fall under local fire authorities’ specifications. They should be considered when planning and coordinating space, decorations, etc., in the ballrooms and meeting rooms, as well as all other applicable laws, codes, and regulations.

Where exits are not immediately accessible from an open floor area, safe and continuous

passageways, aisles or corridors shall be maintained leading directly to every exit and shall be so arranged as to provide convenient access for each occupant to at least two exits by separate ways of travel. The aisle needs to be as wide as or wider than the exit to which they are leading.

There will not be any setup permitted in front of any exit doors. Staggering of dining tables is not permitted. All room sets must be in compliance with the local Fire Department regulations pertaining to occupancy load, mandatory aisles and ceiling clearance fire exits. Any event which has vehicle displays, fog machines, fueled cooking demonstrations, laser exhibits (including tabletop) or extensive productions with staging and props must have a certified permit from the local Fire Marshall. All associated fees for permits, floor plan approval and stand-by fire watch are your responsibility and final approved copies must be received at least three days prior to the event.

Every required exit, exit access or exit discharge shall be continuously maintained free of all obstructions or impediments to full instant use of fire or other emergency.

No furnishings, decorations, or other objects shall be placed so as to obstruct exits, access thereto, egress there from, or visibility thereof.

Hangings or draperies shall not be placed over exit doors or otherwise located as to conceal or obscure any exit. Mirrors shall not be placed on exit doors. Mirrors shall not be placed in or adjacent to any exit in such a manner as to confuse the direction of the exit.

No open flame devices shall be used in any meeting rooms. When necessary for ceremonial or religious purposes, the fire marshal having jurisdiction may permit open flame lighting under such restrictions as are necessary to avoid danger of ignition of combustible materials or injury to occupants.

Any furnishings, decorations, and stage settings shall be fire retardant treated and must display certificate of proof. Local fire authorities in advance of event set-up shall approve all extensive production plans.

Distance between tables must be equal to or greater than the required aisle width plus 19” for chairs on one or 38” for chairs on both sides.

It is ultimately the group’s responsibility to ensure that your event complies with all applicable laws, including, but not limited to fire and safety codes, rules and regulations.

GOLF COURSE INFORMATION

Strategically located on the sunny Kohala Coast of the Big Island, the golf capital of Hawaii, Waikoloa's two championship golf courses offer unparalleled opportunities for golfers of all levels. Whether you're looking for a challenging test of skills or a relaxing round with family or friends, the distinctive Beach and Kings' courses, created by some of the game's most renowned designers, will provide you with golf experiences that will linger in your memory forever.

Kings' Course

For a rigorous test of golf skills, no facility on the Kohala Coast compares with Waikoloa's unique Kings' Course. Designed by former British Open champion Tom Weiskopf and Jay Morrish, the Kings' Course offers golfers the best of two worlds; golf in an island paradise, on a course that more closely resembles a layout along the coast of Scotland.

With stunning views of the towering volcanoes of the Big Island framed by palm trees and vibrant flowers, you'll have no trouble remembering that you're golfing in paradise. The 7,000-plus yard links-style course snakes over and around an ancient lava flow and is best known for its wide undulating fairways, multiple tee placements, and challenging pot bunkers. To complete the Scottish links experience there's even a double green at holes 3 and 6.

After the game the Scottish-themed Kings' Grille, overlooking the 18th hole of the championship Kings' Course, is an ideal setting for a quick lunch or a post-round serving of pupus and libations.

Beach Course

Winding its way through ancient lava fields along the breathtaking Kohala coastline, Waikoloa's Beach Course is, quite simply, resort golf at its finest. But don't let the swaying coconut trees and gentle ocean breeze lull you into a false sense of security. The Beach Course can also be a significant challenge for quality players. The classic Robert Trent Jones Jr. design was literally carved from the lava flow along the picturesque Waiulua Bay. Immaculate greens are well-guarded by numerous white sand bunkers and strategically placed water features. The crowning glory of the Beach Course is the 502-yard par 5 twelfth-known throughout the islands as the most spectacular oceanfront par-five in Hawaii. Not only is it a challenging golf hole, it's a great place to watch humpback whales and catch splendid views of the other Hawaiian Islands.

After the game, The Beach Grill, with a view of the first tee of the Beach Course, features a fine selection of island cuisine for lunch and dinner.

Seaside Putting Course

At Hilton Waikoloa Village, guests can have putting contests and receptions at the 18-hole Seaside Putting Course, designed by renowned golf architect Robin Nelson of Nelson and Haworth. Challenging putting greens are interspersed with sand traps and water features. Building on the award-winning landscape design in place at the resort, the course has been planted with species indigenous to Hawaii's Big Island. Signage along the course offers an informative, self-guided botanical tour of some of these many interesting plant species. The beautiful pond on the course includes unique rock features and small waterfalls as well as flourishing rainbow-colored lilies and brightly colored koi (carp). Groups will find this area particularly attractive for sunset receptions and team-building golf events for all attendees, whether golfers or not.

The course is open to the public daily from 10 a.m. and play includes putter, golf balls, scorecards and ball markers. After the sun sets, enjoy a round of Glow Golf on select nights.

Brief Description: Believe it or not, Hilton Waikoloa Village® was originally drafted on a simple cocktail napkin. Chris Hemmeter was a prolific developer of mega resorts and always preferred to start with a gigantic slate, which meant a lot of digging and grading through lava. The 62-acres of Hilton Waikoloa Village® are the amazing result of his endless imagination and vision.

However, our tropical paradise is different from most island destinations and vacation spots. While others may have swaying palm trees and warm sunshine, Hawaii's Big Island offers something else, and Hilton Waikoloa Village® captures this. We invite you to experience the *mana*, or power, of our island home. Feel the Aloha Spirit and explore the perfect blend of Asian, Western, and Oceanic cultures whose diverse beliefs and traditions have fused to make Hawaii so wonderfully unique. Discover the Big Island's natural beauty, geographical diversity, and rich cultural heritage at a resort that celebrates a greater understanding and provides an insight into the life of Hawaii.

Hawaii's healing island, the big island, is a historically rich and rewarding destination, where you can explore the turquoise waters by boat, the rolling green hills by horseback and the mountain ranges by helicopter.

The Big Island is known throughout the world for its richly flavored Kona coffee and delicate orchids. It is the state's largest producer of papayas, avocados, macadamia nuts and anthuriums. Here you will find about 1,660 species of flowering plants and 45 species of birds found nowhere else on Earth, along with Mauna Loa, the world's largest active volcano.

With such a diversity of natural wonders and activities, an ideal climate, world-class accommodations and the Aloha Spirit, the Big Island of Hawaii is truly the island "Jewel of the Pacific."

And just so you know, heading towards the mountains is Mauka and toward the ocean is Makai.

SIGNAGE/BANNERS

The Hilton Waikoloa Village® takes pride in the condition and aesthetic appearance of our facility. In order to maintain a quality image for all Hotel guests, there are a few things we ask of you during your stay:

Only professionally printed signage is allowed in the meeting/convention areas. These signs can be used with easels or in sign stands. No handwritten signs or flipcharts are allowed outside the meeting rooms.

No banners can be hung along the walls of the Public Areas. Banners may be hung from the skirting of the hospitality desks and at outdoor functions. Hotel personnel must provide the labor to hang the signs at a fee of \$75.00+tax each. Banners requiring the creation of special wooden frames or a power lift to hang will require the assistance of our Property Operations Department. Please contact your Catering/Event Manager for price quote. Three week advance notice is required.

In addition, nothing is to be placed over exit doors or located to conceal or obscure any exit.
