With Lighting Kit

A guest speaker must!

Presentation Services® provides a variety of lighting and décor options to help make your event memorable and engaging. For a minimal cost, you can help keep all eyes focused on your guest speaker with a simple podium light package. The podium light kit will draw attention to your speaker and prevent them from blending into the background scenery.

Pricing for both Standard and Deluxe Podium Light Kits is available.

➤ Projected Logos & Themed Images ➤ Décor Lighting

Create a theme & pump up your audience!

PSAV can also provide illuminated images (Gobos) that will draw your guests' attention to a special message or picture that can help create a festive environment or themed event. Gobos enhance your room design by creating great visuals on walls, floors, backdrops and other scenic elements.

Whether you are projecting an illuminated image that ties to your event theme or your company's logo, projected Gobos are a great way to brand your event, build excitement and include corporate sponsorships. Custom gobos are available in both monochrome and full color. Also, make sure to thank your event contributors by highlighting their name in your general session or pre-function space.

Complete Gobo Packages are available.
Please contact a PSAV representative for more details.

Set the mood for a great event!

For both corporate theater and social events, the addition of décor lighting can add impact to any room. Lighting options range from arrays of colored up-lights packaged with drape to intelligent lighting options that are sure to captivate your audience. Your PSAV sales representative has the experience to help you design the right look for your event.

Lighting Package prices can vary depending upon complexity and lighting instruments.

PARTNERS IN SHOW™

Computer Services

On-site computer rentals and networking services

On-site single contact simplifies support

Today's meetings increasingly rely on computers for presentations, registrations, training and many other functions. PSAV is already on-site handling your audiovisual needs, so why not work with a single contact for all your event technology needs? While most computer rental companies are geared toward the demands of nine-to-five office rentals only, PSAV understands the demands and deadlines of the meetings industry, and is on-site and able to support within minutes of customer requests.

PSAV Computer Services include:

➤ **Presentation/Show PC**

Achieve seamless transitions between presentations with dual PC's for preview, back-up, presenter cueing and program switching.

➤ **Cyber Café**

Cyber cafes allow attendees to stay connected while away from the office with a centralized high-tech cyber center that enables quick and easy email checks between sessions.

➤ **Computer Lab**

Create a hands-on learning environment that allows groups to train their attendees on the latest software or web-based applications. Share files and printers in a networked classroom setting complete with student PC's loaded to meet specific needs and an instructor computer projected on a screen.

➤ **Tradeshow**

Bring any product to life on the tradeshow floor with cutting-edge plasma displays and PC support. From single kiosk PC's to elaborate showrooms, PSAV helps companies reach their desired tradeshow audience.

➤ **Speaker Ready Room**

Give presenters confidence and peace of mind by allowing them to review, revise and print their presentation moments before they go on stage.

➤ **Office/Desk Computer**

Set up an on-site office in close proximity to attendees so that when guests are on the road, they have everything they need to be as productive as they are back at their home office. Networked desktop computers and laptop hook ups provide shared resources and Internet accessibility.

Banquets & Receptions Custom Packages

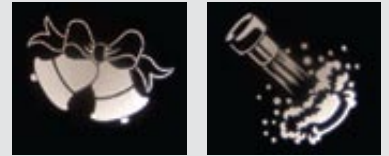

➤ Reception Support Packages

Welcoming the guest of honor was never so easy . . .

A PSAV reception support package is the perfect solution to help showcase your achievements, family pictures or any memorable moment you would like to highlight. These packages can offer you a high-tech display for your video montage; a wireless microphone for special announcements and speeches; and a CD Player or audio mixer, that can be used with your MP3 player, for background music.

PSAV can also provide illuminated images (Gobos) that will draw your guests' attention to a special message or picture to help create a festive environment.

Reception Support Package prices can vary.
Please contact a PSAV representative for more details.

Examples of standard Gobo images offered at this location include: stars, clouds, holiday themes or wedding themes. Specialty Gobos or company logo images are also available upon request.

➤ Banquet Themed Lighting Packages

Allow for ambience.

When the speeches and presentations are over, relax with this simple but impressive banquet setting that can be themed to match your conference or special occasion. Every corner of the room will be lit and accented with the color of your choice, providing an inviting and sophisticated environment. Presentation Services® can assist you with creating a unique look by using illuminated artistic designs (Gobos) or accented corporate logos.

PSAV can also provide soft accent lighting (also known as pin spotting), so each dining guest can experience quiet discussions at their table in a warm, intimate and dramatic setting.

Basic Themed Lighting package prices can vary depending upon meeting room assignments and inclusions.
