

# PARADISE IS CLOSER THAN YOU THINK.

Just two miles east of I-75, Southwest Florida International Airport has a new, \$386 million state-of-the-art terminal – and meeting planners have another reason to put Marco Island Marriott Resort, Golf Club & Spa at the top of their list!

Over twenty different airline carriers now offer nonstop service between RSW and over 40 U.S., Canadian and German destinations, in addition to the many connecting flights that provide seamless one-stop service to cities throughout the United States and around the world.

That means Marco Island Marriott's luxurious accommodations, powder sand beaches, first-rate golf, and Balinese spa are easily accessible from, well, just about anywhere!

Paradise has never been closer.
