The preferred in-house production company and full-service audio-visual provider, American Audio Visual Center (AAVC), oversees the use of all hotel systems, including house sound, rigging, ballroom lighting, and all power service. Fees, guidelines and minimum service standards will apply to all outside audio-visual vendors. To receive these guidelines and pricing for your program or utilization, please contact our onsite AAVC representative.*

**All outside audio-visual vendors must complete the guideline checklist 14 days before arrival.*
