WIFI Packages: Up to shared 200 mbps bandwidth and Customizable Username and Password.

Premium Package: SSID, Customizable Username and Password, dedicated bandwidth, and usage tracking.

WIFI User Instructions: Please select the **Wyndham\_Meeting** network under the Wi-Fi network list in your device. Open your preferred web browsing application. Once the application is launched it will automatically redirect to the internet log-in page. If it does not, please manually redirect it by typing going to [cnn.com](http://cnn.com), or website of your choice. Once at the conference log-in page, please use the log-in password provided. This information is case sensitive.

Accept the terms and conditions by highlighting the check-box.
