

Client Testimonials

The superior level of service, attentiveness and accommodation demonstrated by every staff member we came in contact with was impressive, and very much appreciated by those in attendance. Their attention-to-detail and professionalism is quite evident. The beautiful facility and staff truly served to make our event a success, and a location we will surely want to return to. Many of our members commented that they thought this was the best convention we've ever had.

Clifford A. Burg
Executive Director

Painting & Decorating Contractors Association

We wanted to write and thank you and your staff for helping us make the conference a successful event! We appreciate you accommodating to our last minute changes and additions. Thanks again and we look forward to working with you in the future!

University of California Berkeley

I just wanted to drop you a line and let you know that our Sales Conference was a success and everyone was very pleased with their accommodations. The meeting space for each event was great.

Katherine Mertz

Sensys Networks

We had a wonderful experience with your hotel for our event. The food was great, the conference room was great, the guest rooms were great, your flexibility was great, and the entire hotel staff was incredibly helpful and friendly. We will be back.

Alan Adelson

Columbus Foods

Everything went well during the weekend. The Doubletree staff provided us a commendable level of service. Please relay our sincere thanks to the staff at Doubletree. We look forward to working with you again!
